

REMARKS

Claims 1-18 are all the claims pending in the present application, new claims 16-18 having been added as indicated herein.

Applicants submit that the applied art does not disclose or suggest each and every limitation of amended claim 1. For example, the applied art does not disclose or suggest at least, “receiving broadcast signals; retrieving electronic program guides and search engine tables from the broadcast signals; checking the electronic program guides and the search engine tables contained in broadcast signals received from at least one broadcasting company and composing a total electronic program guide and search engine table; setting a keyword, the setting of the keyword comprising selecting a name of a program as the keyword; and displaying the total search engine table; executing a default search engine and displaying search results obtained by the default search engine using the keyword, wherein the search results are a plurality of hyperlinked web pages,” as recited in amended claim 1.

Claims 2-15 are patentable at least by virtue of their indirect or direct dependencies from independent claim 1.

New claims 16-18 are patentable at least by virtue of their indirect or direct dependencies from independent claim 1.

Further, Applicants maintain any previously submitted arguments to the extent that the relate to the features in the claims as presently recited.

In view of the above, reconsideration and allowance of this application are now believed to be in order, and such actions are hereby solicited. If any points remain in issue which the
